

## The Crispin Basketball School

June 23 - June 27

Pitman High School Gymnasium

**Camp Directors: Joe and Jon Crispin**

**Co-Directors: Steve Crispin and Bobby Fisicaro**

As summer approaches, a productive off-season awaits. It is time again to get in the mindset of preparing and perfecting your Basketball Skills for next season. Back again for the third consecutive year, The Crispin Basketball School offers the best opportunity to develop your skills and learn from those who have excelled at every level in this sport.

We recognize the importance of practice, preparation and drilling the fundamentals of basketball. We are proud to share with you our knowledge, experience and skills to give you all the tools necessary to be the best basketball player you can be. Join us June 23-June 27 at the Pitman High School Gymnasium for an intense week of drills and controlled play. Every day will focus on a specific skill or aspect of the game. By the end of the week we will put all of the skills together and implement what we have taught and learned in actual game play.

The Basketball School is divided into two sessions. Session A is for all girls and boys from 5th-8th grade. Session B is for all girls and boys in 9th-12th grade. Each session is 3-hours long. We feel it is unnecessary to hold a camp for 8-hours a day. We will focus on getting the most effort and intensity out of each and every camper for the time we have together. As the week progresses we will reduce the amount of group instruction to provide for individual skill work with our coaches. We look forward to seeing you at the Crispin Basketball School in June. Registration is open as of April 1st. **Each camp is limited to 35 participants.** When camp is full, registration will end. Be sure to turn in your registrations promptly. To reserve your spot in The Basketball School email us at [camp@CrispinBasketball.com](mailto:camp@CrispinBasketball.com) or mail your registration in today.

The Basketball School is \$125 per camper, **but \$100 for Pitman Residents only.** Please bring a water bottle and a basketball. Be sure to register soon to reserve your spot at The Crispin Basketball School. For more information visit: [\*\*CrispinBasketball.com\*\*](http://CrispinBasketball.com)
